

Social Media Chapter Challenge

Facebook ... Twitter ... YouTube ... chapter websites ... the social media tools keep growing. We invite all Thrivent Financial members to submit their ideas for how they would use—or are already using—social media to help their chapter grow, get more members to attend events and connect members with one another.

How it works:

1. Submit your ideas with text, photos or video.
2. We'll review the entries and choose the finalists.
3. Then, we'll ask Thrivent Facebook fans to vote for their favorite.
4. If yours is one of the top three vote-getters, you'll have the unique opportunity to help us test your idea. Plus, your chapter will receive hands-on support from us to help boost your chapter's visibility and outreach—today!

For complete details or to enter, go to Thrivent.com/chapterchallenge.

Act today—submission deadline is Sept. 27, 2010.
