*Performance data cited represents past performance and should not be viewed as an indication of future results. Investment return and principal value of the investment will fluctuate so that an investor's shares, when redeemed may be worth more or less than the original cost. Current performance may be lower or higher than the performance data quoted. Call 800-THRIVENT or visit Thrivent.com for performance results current to the most recent month-end.

Institutional Class shares carry no sales charges.

Lipper figures do not include sales charges or fees. If included, returns would have been lower. The Russell 2000® Index measures the performance of small cap stocks. An index is unmanaged, and investments cannot be made directly into an index.
