

The youth director will look for opportunities to involve youth in chapter and service team activities. You will be part of a board that provides strategic direction, leadership planning and administrative support to service teams.

What will the youth director do?

The primary responsibilities are to involve youth in service-learning projects and programs.

- Organize teams of youth or students to lead a project or form a community service team.
- Make youth groups aware of opportunities to get involved in community service teams.
- Promote Thrivent Financial programs to youth at churches and schools.
- Support and represent youth and their involvement on the leadership board.
- Encourage youth involvement in JOIN HANDS DAY.

Resources to help you get started

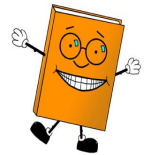

The chapter leadership board should be your first contact regarding their expectations for this role. They may share activity ideas that have worked well in the past.

- Many useful resources can be found online at www.thrivent.com > Thrivent Community > Chapters > Volunteer Leader Resources > For Chapter Leaders.
- Become familiar with the chapter system by reviewing the [Chapters](#) page of Thrivent.com.
