

Posting Your Chapter Events on Thrivent.com

Online registration for chapter events makes it easy for chapters to post upcoming Thrivent Financial for Lutherans social, educational, religious or patriotic events. It also makes it easy for members to find and sign up for them.

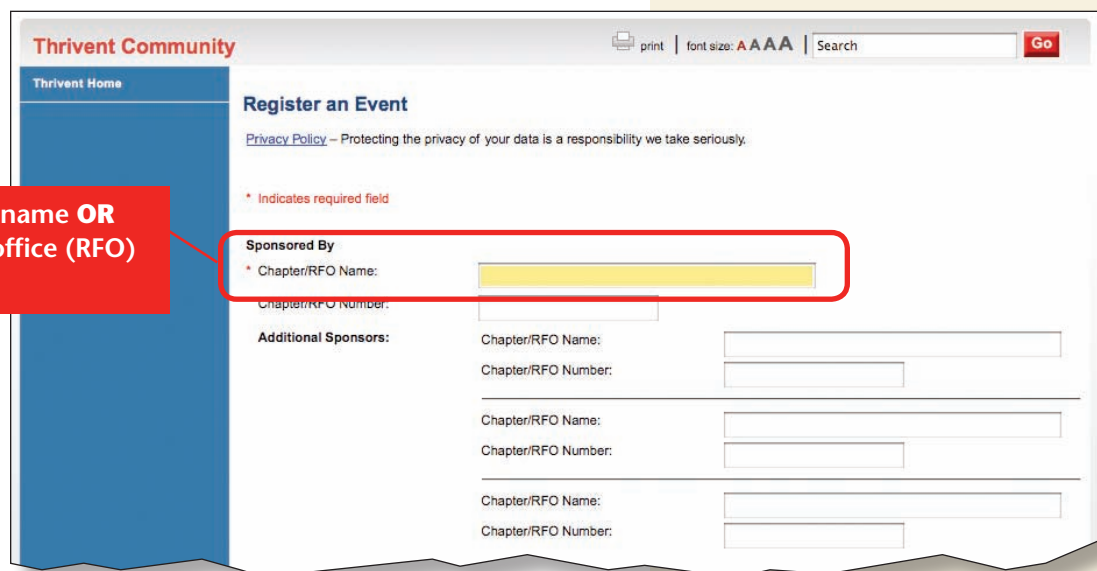

To register your event, visit Thrivent.com/registeranevent.

Enter the information that is specific to your event. In most cases, your event will appear on the Find Events & Workshops page (Thrivent.com/findanevent) within 24 hours.

- Posting your event is free. It can be used by any chapter leader.
- The Find Events & Workshops page is a public site. If your event is restricted to a certain group (e.g., chapter social activities are for Thrivent Financial members and their guests), you may decide not to register it. Or you may want to clarify who is invited in the “Additional Information for Attendees” section.
- Be sure to reference Thrivent.com/findanevent on any promotional materials to encourage members to R.S.V.P. online.

Questions? Contact the Member Connection Center at 800-847-4836 and say, “fraternal” when prompted.

If you select "Workshops," another drop-down box will appear to help you select the workshop name.

If you select "Yes," a "Register Now" button will appear within your posting on Thrivent.com/findanevent. It allows members to register online for your event. You will automatically receive their registration confirmation via email.

This email address will receive the R.S.V.P.s of those who register.
